

St. Marys River
Remedial Action Plan
Our Water • Our Future

Position title: Remedial Action Plan Outreach Assistant
Position type: Part-time contract (1 year)
Pay rate: \$21/hr

Algoma University is seeking to hire a motivated and dynamic individual to support the RAP Coordinator and assist with community outreach initiatives related to the St. Marys River Area of Concern (AOC).

Specific tasks will include (but are not limited to):

- Liaise with community groups and resource professionals to assist in the development of community outreach initiatives for the St. Marys River AOC.
- Conduct virtual and in-person presentations to various community organizations.
- Host a series of virtual meetings and/or events.
- Assist with implementation of Community Fish Consumption Survey.
- Assist with updating interactive map for St. Marys River AOC.
- Maintain website and social media accounts.
- Other job-related duties as assigned.

Qualifications

- High personal motivation, self-management, and detail-orientation; ability to take responsibility in meeting deadlines and making progress without direct supervision
- A demonstrated ability to interpret scientific data and to convey complex ideas in a clear effective manner
- Excellent written and oral communication skills
- Ability to develop and maintain positive relationships with stakeholders
- Previous outreach experience considered an asset

Applications for the position, consisting of a brief cover letter and resume, should be sent electronically, by **5pm on Tuesday June 28th to:**

Lisa Derickx
St. Marys River Remedial Action Plan Coordinator
Algoma University
